## Protect your business during difficult times.

### Attend one of our FREE webinars.

BSI introduces a new **FAST-TRACK FOR SMALL BUSINESS**, designed with your needs in mind. Get a **FREE** Needs Analysis, *The Route to Registration* guide\* and special small business discounts on training.

#### Not ISO Certified Yet?

If you are not ISO certified, attend the "[Path to Certification](#)" webinar to learn how a management system can help increase your bottom line, increase market share, drive down costs and improve satisfaction.

#### Already ISO Certified?

Take your ISO certification to the next level, attend our "[Weathering the Recession](#)" webinar. You will be introduced to Dynamic Governance and how it works with an ISO 9001 certification to enable rapid, self-organizing adjustments in marketing, manufacturing processes, personnel policies, overhead operations, and supplier relations.

#### Why BSI

BSI is one of the world's leading providers of training, information and knowledge on standards, regulatory approval and business improvement for local and global audiences. We offer a full range of classes from introductory seminars to RABQSA certified Lead Auditor training courses.

Trust the market leaders. With global market share, and pioneers in certification, BSI's experience will ensure your organization acts in accordance with conventional business practices and is in compliance with laws and other regulatory requirements. Our knowledgeable trainers and assessors, and our global delivery capability will provide a
